

All of the cakes and cookies that I have had that Michelle has made have been wonderful! They are always fresh. Recently, I was at a baby shower and I missed having some of her cake and I was sad for days! I can't wait to have some of her sweets soon! -Katie-

Dear Michelle,

The cakes were so scrumptious! The graduates commented not only on the mortarboard with the red tassel and the rolled up diploma, but also about how delicious the cakes were.

This morning, "someone" asked me if I thought you were her cake baker for the wedding and I replied with a whole-hearted and unequivocal "Yes!" I know that you will be hearing from many of us in the future.

Thank you so very much!

Anna

Michelle's cakes are light and airy, rich in flavor, with that definite homemade taste. I don't like white or yellow cakes, but Michelle's are superb. Of course, her chocolate chunk is tops... to die for. Michelle's icings are rich and creamy, once again the unmistakable buttery, homemade taste. Her artwork is the jewel in the crown, she is an artist as well as a fabulous pastry chef. Michelle recently drew the *USS Theodore Roosevelt* aircraft carrier on our Welcome Home cake for my son Joe's return from the Gulf party. Impressive and Mmmmm!

Your bakery is fantastic! I can't pick just one that is my favorite, they're all delicious!

Michelle's baked goods, cookies, and cakes are absolutely phenomenal! The first time I ordered a cake from her, it was for my son's first birthday party. Not only was the cake incredibly adorable, it was by far the best cake I had tasted in my entire life! It actually was the hit of the party, and almost 2 years later I still have guests from that day mentioning the cake to me. For the holiday season, I ordered cookie trays and gave them as gifts to several friends. What a success! My friends couldn't stop talking about how unique, beautiful, and delicious the cookies were. They really were impressed by how one type of cookie was better than the next. After utilizing Michelle for many, many occasions, I can honestly say that I will never order a cake, cookie, or baked good from anywhere else! The quality, taste, and entire experience are absolutely amazing and can't be surpassed!
